Vanzandt's

On behalf of the Troop C Chapter of the Missouri State Troopers Association, **Vanzandt's All-Purpose Seasoning, Inc.**, will donate a portion of each can sold in the St. Louis region to **BACKSTOPPERS**

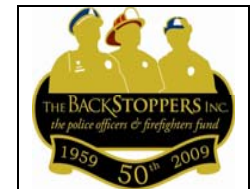

This seasoning is truly an all-purpose seasoning. Depending on the person you talk to will also determine their favorite culinary use of Vanzandt's. It is great to put on all meats and fish, BBQ, fried chicken, seafood, and vegetables. It can be used in stews, marinades, gravies, casseroles, and salads. You can season baked potatoes, french fries, tator-tots, and is especially good on eggs, and tomatoes. Some people sprinkle it on popcorn. Vanzandt's is locally owned and made in the USA.
